Graphic Designer
London Studio

Candidate Information Pack

Our global marketing team seeks talented **Graphic Designer**

Broadway Malyan is a renowned international architecture and design practice known for its innovative approach to creating remarkable spaces. With a global presence, we specialise in masterplanning, architecture, and interior design, crafting transformative environments that inspire and enrich lives. From iconic buildings to sustainable urban developments, Broadway Malyan is committed to pushing the boundaries of design excellence and shaping the future of the built environment.

As an employee-owned practice, we are able to create an inclusive culture where everyone has a strong sense of engagement and shared responsibility in the future of our business.

We are committed to investing and inspiring our people, so we can attract and retain the best talent to strengthen our reputation as both a design practice and an employer of choice.

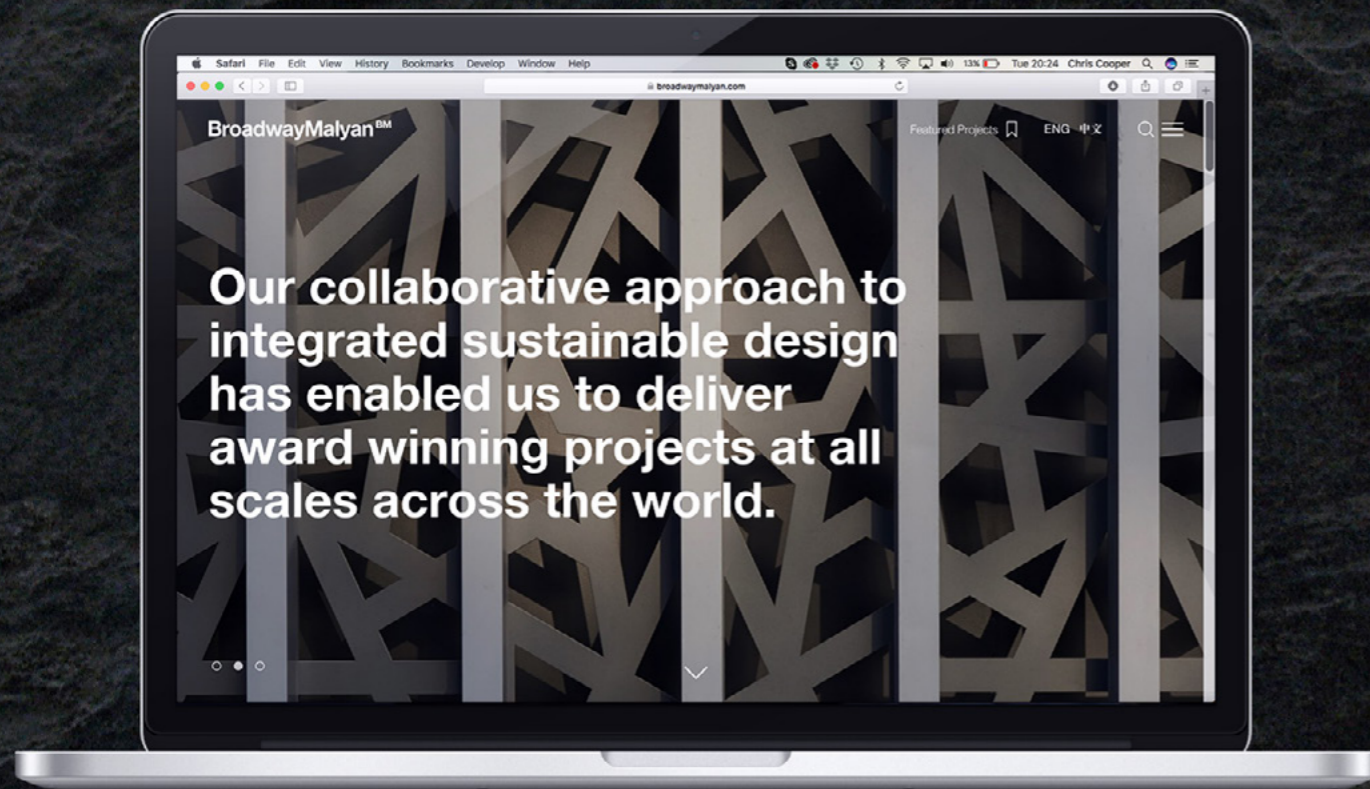

If you have the talent and passion and want to draw your inspiration from working within a community of active minds, it is likely that we have a place for you at Broadway Malyan.

Jon Geaney
Practice Principal, Creative Director

**We design cities,
buildings and
places with a
strong sense of
identity and place.**

Delivering our Brand Values

The Position:

Get ready to dive into a genuine and collaborative environment, where working alongside masterplanners, architects, and interior designers is the norm. At Broadway Malyan, we foster a culture of openness, mutual respect, and shared expertise. As a Graphic Designer, you will have the opportunity to work hand-in-hand with our talented team of masterplanners, architects, and interior designers, contributing your unique skills to the multidisciplinary design process. Your ideas and perspectives will be valued and embraced as we collectively strive to create extraordinary spaces that inspire and transform the built environment.

Qualifications:

- **Bachelor's degree** in Graphic Design, Visual Communication, or a related field.
- **4-5 years of professional experience** as a Graphic Designer, with a strong portfolio showcasing expertise in place branding, placemaking, and branded environments.
- **Proficiency in industry-standard design software**, such as Adobe Creative Suite (Photoshop, Illustrator, InDesign, After Effects), and familiarity with web design tools.
- **Ability to create** compelling narratives and storytelling through design that captures the essence and experience of a place.
- **Excellent attention to detail**, with a solid understanding of design principles, typography, color theory, and layout composition.
- **Strong verbal and visual communication skills**, enabling effective collaboration with team members and stakeholders.
- **Proven project management** abilities, including multitasking, time management, and meeting deadlines in a fast-paced environment.
- **Self-motivated, proactive**, and adaptable mindset, with a passion for pushing creative boundaries and delivering exceptional design work.

Creating
places.
Together.

Responsibilities:

- **Collaborate** with the team to understand project goals and design concepts.
- **Create** visually stunning designs across various mediums.
- **Develop** engaging narratives and visual stories for projects.
- **Design** project collateral and in-house brand collateral.
- **Utilize** motion graphics and animation techniques.
- **Manage** multiple projects and deliver high-quality designs.
- **Contribute** creative insights to shape place branding initiatives.

Collaborating closely with the team, you will translate the essence of a place into visually compelling designs across various mediums, create engaging narratives that communicate its unique character, and design immersive experiences and motion graphics that bring environments to life. Join our dynamic team and make a significant impact in shaping the identity and experience of remarkable places.

Location:

London
