

BroadwayMalyan^{BM}

Masterplanner
Senior / Associate
London

Candidate Information Pack

Broadway Malyan's Urbanism Team is one of the world's leading masterplanning and urban design consultancies, working on a number of major commissions in both the UK and overseas. We are seeking an enthusiastic **Masterplanner (Senior / Associate)** to assist in growing our team.

Broadway Malyan is a global architecture, urbanism and design practice dedicated to creating cities, buildings and places that will provide a lasting legacy. Through a shared design ethos, we work together to create places with a strong sense of identity where people and communities want to live, learn, shop, work and relax.

Our collaborative approach to integrated sustainable design has enabled us to deliver award-winning projects at all scales across the world. Every project, from a strategic city plan to the craftsmanship of a balustrade, reflects our passion for quality design and place-making.

As an employee-owned practice, we are able to create an inclusive culture where everyone has a strong sense of engagement and shared responsibility in the future of our business.

We are committed to investing and inspiring our people, so we can attract and retain the best talent to strengthen our reputation as both a design practice and an employer of choice.

If you have the talent and passion and want to draw your inspiration from working within a community of active minds, it is likely that we have a place for you at Broadway Malyan.

An architectural rendering of a modern, multi-story building with a prominent facade of vertical wooden slats. The building is set in a lush, green urban environment with mature trees and a clear blue sky. In the foreground, a black sports car is parked on the street, and a person is riding a bicycle. Other people are visible walking on the sidewalk, including a woman in a black abaya and a man in a white thobe. The overall scene depicts a vibrant, walkable neighborhood.

The Position:

We are seeking a talented and motivated Masterplanner to join our team. As an Urban Designer, you will provide design inputs to high-profile international urban design projects, ranging from large-scale city strategies to district-scale masterplans.

The ideal candidate will possess exceptional design skills, the ability to work collaboratively with stakeholders, and a commitment to staying up-to-date with the latest trends and best practices in urban design.

Responsibilities:

- Lead and manage projects
- Design of Pre-concept and Concept Masterplan schemes for high-profile urban design projects.
- Develop urban design strategies, diagrams, and technical studies.
- Coordination between other team members and external consultants.
- As part of a multidisciplinary team, you will play an active part in Client presentations, explaining urban design concepts and technical inputs.

Qualifications & Capabilities:

- Background in architecture and masters in urban design or equivalent.
- Minimum 10 years of masterplanning experience in relevant field.
- Strong design and hand-drawing skills with the ability to meet deadlines.
- High graphical, verbal, and written skills to communicate urban design concepts and technical inputs.
- Strong computer aid skills such as GIS, AutoCAD, Sketch-up, and Adobe package.
- Understanding of international standards and requirements.
- Excellent organisational and collaboration skills with the Urban Design team, architectural team and external consultants.
- Out-of-the-box thinking and willingness to hit the ground running.
- Responsibility to work independently and take ownership of part of a project.
- A proactive approach to responding to project challenges and exceeding Client's expectations.
