

BroadwayMalyan^{BM}

Urban Designer / Planner

Warsaw

Candidate Information Pack

Broadway Malyan's Urbanism Team is one of the world's leading masterplanning and urban design consultancies, working on a number of major commissions in Europe and overseas. We are seeking an enthusiastic **Urban Designer / Planner** to assist in growing our team.

**We design cities,
buildings and
places with a
strong sense of
identity and place.**

Our collaborative approach to integrated sustainable design has enabled us to deliver award-winning projects at all scales across the world. Every project, from a strategic city plan to the craftsmanship of a balustrade, reflects our passion for quality design and place-making.

As an employee-owned practice, we are able to create an inclusive culture where everyone has a strong sense of engagement and shared responsibility in the future of our business.

We are committed to investing and inspiring our people, so we can attract and retain the best talent to strengthen our reputation as both a design practice and an employer of choice.

If you have the talent and passion and want to draw your inspiration from working within a community of active minds, it is likely that we have a place for you at Broadway Malyan.

Job:

Broadway Malyan is a global architecture and urban design practice with a network of studios around the world. We are seeking an Urban Designer or Planner to be based in Warsaw and be part of our international master planning team. The position's main activities will be focused on design, spatial analysis, preparation of drawings, presentation, and documentation for project approvals mainly abroad.

Location: Downtown Warsaw

Salary: Negotiable depending on experience

Robert Kaminski
